
Saving Library of Congress Documents and Manuscripts

- Check Rights and Reproductions for copyright information
- Click on the “thumbnail” image of the document or manuscript
- A new page will open with a larger version of the manuscript or document
- Place your cursor in the middle of the manuscript or document
- Right click on the manuscript or document
- A menu will appear
- Click **Save Picture As**

Screen Capture: Library of Congress and Microsoft Office

- The **Save Picture** window will appear
- Start at the top of the box, labeled **Save in**
- Select where the document or manuscript is to be saved
- Name the document or manuscript
- Click **Save**
- If there are multiple pages to the manuscript or document, remember to save each page individually.
